15. REPORTING SUSPECTED CHILD ABUSE:

Your child was recently enrolled in a child care program that is licensed by the Colorado Department of Human Services. The license confirms that the program has met required standards for the operation of a child care facility. If you have not yet done so, please ask to see the license. Most licensed facilities

make every effort to provide a safe and healthy environment for children. Unfortunately, on rare occasions, an incident of physical or sexual abuse may occur. If you believe that your child has been abused, you should seek immediate assistance from your county department of social services. The telephone number to report child abuse for the Fremont County Department of Human Services is 719-275-2318. Colorado law requires that child care providers report all known or suspected cases of child abuse or neglect. Child care services play an important role in supporting families, and strong families are the basis of a thriving community. Your child's educational, physical, emotional, and social development will be nurtured in a well planned and run program. Remember to observe the program regularly, especially with regard to children's health and safety, equipment and play materials, and staff. For additional information regarding licensing, or if you have concern about the child care facility, consult the Colorado Office of Child Care Services at 303-866-5958.

16. MEALS:

- A. A sack lunch must be brought on field trip days (once per week during summer), unless notified otherwise by staff.
- B. A meal that meets 1/3 of the child's daily nutritional needs will be served during the other No School Full Days.
- C. Nutritional snacks/meals will be served in the morning and afternoon during all No School Full Days. An afternoon snack will be served after school during the school year.

17. DISCIPLINE:

- A. A discipline system has been implemented for the children enrolled in the program. Parents will be advised that unacceptable behavior will result in the suspension of the child, with dismissal to follow, if the behavior continues.
- B. If the discipline problems arise, our staff will contact the parent/guardian during or immediately following the program.
- C. We reserve the right to suspend or dismiss any child who is a threat to himself/herself, others in the program, or the staff.

18. PARTICIPANT DISCIPLINE PROCEDURES:
